Dear Dorrie,

I would like to take this opportunity to extend a sincere 'thank you' to you and the entire NYA team for your efforts in making the Gartner Research Board offsite held at NYA on July 21st a memorable experience for us. The facility provided a wonderful venue for both 'work and play'. My colleagues appreciated the uniqueness of the meeting/conference space and of course, play time was well received and very entertaining. We enjoyed kick ball, soccer, dodge ball and last but not least, the inflatable obstacle course. Those photos will live on forever!

Dinner in the courtyard was well done and provided a great atmosphere for catch-up conversation and relaxation. The NYA staff was extremely accommodating, courteous and supportive. I would like to especially acknowledge and thank Jeff, Rob and Chris for their personal efforts. They went above and beyond the call of duty.

I do hope we can revisit NYA in the future for another fantastic offsite and team building event.

With best regards,

Brendan
